MCS 150 USDOT NUMBER UPDATE - REQUIRED EVERY TWO YEARS.

Updates are based on the last two numbers of your DOT number. If the second to last number is odd, the update is due in odd years. If the second to last number is even, the update is due in even years. The last number determines what month the update is due, i.e., 1 = January 2 = February 3 = March, etc. Also, any time a carrier or other regulated entity changes its name or address or other details in their record, they should update their USDOT number and operating authority record with FMCSA in a timely manner.

For more information or to update online, visit <https://www.fmcsa.dot.gov/registration/updating-your-registration>.

UNITED CARRIER REGISTRATION UPDATE - OPENS OCTOBER 1 AND IS DUE DECEMBER 31.

IFTA REPORTING SCHEDULE	
Quarter	Due
Quarter 1	April 30
Quarter 2	July 31
Quarter 3	October 31
Quarter 4	January 31 of the following year

IFTA is a base jurisdiction motor fuel use tax agreement in which the base jurisdiction (typically a state) administers motor fuel use taxes for all IFTA jurisdictions and apportions payments to those jurisdictions. For example, if you purchase fuel in Illinois but also drive in Iowa, Iowa will receive their portion of the fuel tax through IFTA.

If your vehicles:

1. Travel in Illinois **and** at least one other state,
2. Have two axels and a gross vehicle weight or registered gross vehicle weight exceeding 26,000 pounds,
3. Have three or more axels regardless of weight, **or**
4. Are used in combination and the gross vehicle weight or the registered gross vehicle weight of the combined vehicles exceeds 26,000 pounds,

You are required to use the MyTax Illinois system to register for and file tax returns under Illinois' motor fuel use tax program (MyTax Illinois, n.d.).

IFTA DECAL RENEWAL - MUST BE ORDERED BY DECEMBER 31 EVERY YEAR.

For further information on IFTA, visit <https://www.illinois.gov/rev/research/taxinformation/motorfuel/mfut/Pages/compliance.aspx>.
